

**FREY ORGANIC**  
**GEWURZTRAMINER Mendocino**

We have partnered with Buck Guntly at Cold Creek Ranch for over 20 years to bring you our delicious Gewurztraminer. Grown at the border of Mendocino and Lake Counties, California, this wine has the fruity, spicy character of Gewurztraminer without overpowering sweetness.

Our 2009 Gewurztraminer is blended with a touch of Muscat and produced in the dry Alsatian style. Pleasant aromas of rose and ripe pear are followed by a crisp, acidic feel in the mouth and flavors of exotic fruits.

## **FREY VINEYARDS**

**America's Pioneering Organic Winery**  
**Organic, No Sulfites Added Wine Since 1980.**

Founded in 1980, Frey Vineyards was America's first organic winery. Still family owned and operated after 30 years, we are committed to providing highest quality, award winning wines without the use of synthetic sulfites or other chemical additives or processing aids.

We believe in low impact winemaking and rely on top quality fruit to produce our delicious wines. We never add sulfites, never adjust acid and sugar content and are committed to 100% organic processing. Because we do not manipulate our wines, the flavor mirrors the organic fruit that is the base of our product. We network with several local family-owned vineyards to bring you the finest Organic wines.

All Frey Wines are Organic, from the vineyards, to the cellar to your table.
