PH: 3.87

Vineyard Details: Stanton and Caroline Lange's vineyard is set in a beautiful location in the heart of the Lodi winegrowing region. It enjoys the benefit of the sandy, well drained soils of the west side of the Lodi Appellation where the Delta breezes cool the vines after war summer days. Stanton, a fifth generation farmer in this location aspires to grow the best fruit in the region with judicious use of water and attention to detail throughout the vineyard.

Wine Characteristics: This classic Cabernet Sauvignon shows a hint of French oak, is full bodied and very approachable. Each lot was slowly fermented, patiently aged, then released at its prime – ready to be enjoyed at your next picnic, by the fireplace or with your favorite dish.
