

Chacewater

At Chacewater Winery we produce small lots of wine from estate grown and selectively sourced vineyards. Our attention to detail throughout the winegrowing and winemaking processes results in wines with increasing recognition for quality & taste.

Chacewater Winery & Olive Mill is family-owned and operated. We are located in Kelseyville, a town tucked away in Lake County, California. We take pride in producing wines, Extra Virgin Olive Oils and soaps of the highest quality, sourced from select vineyards and estate-grown olive trees. By producing only small lots and using only the finest natural ingredients we are able to produce artisanal products of distinction.

The name Chacewater honors our ancestral family in Cornwall, England. Because of their adventurous and hardworking nature, we are able to fulfill our passions today. We grow our grapes in three different vineyards in California.

Bella Vista Farms

The fruit is sourced from a well established river bottom vineyard in Big Valley, Lake County. The rich soils of the Big Valley allow the vines to express concentration and intensity

North Ponderosa Vineyards

In 1989 a huge forest fire burned an entire ridge of Ponderosa pines in the Sierra Foothills. The Manuel family survived and managed to save their home, but their land was scorched. Afterwards, they consulted agriculture and viticulture experts and determined that a new life as an organic vineyard would be a wonderful way to start fresh and make use of the deep, well-drained soils. The climate also proved an ideal combination of hot days and cool nights. The soil, a rich mix of ancient sediments, decomposed granite and organic matter is especially suited to producing excellent grapes.

Cat's Paw Vineyards

Located on the Kelseyville Bench in Lake County, CA at elevations between 1600 ft.–1700 ft. This yields good minerality, but minimizes stress on the vines, resulting in greater intensity of fruit.

We are honored to receive the Golden Winery of the Year Award from the California State Fair Wine Competition. Our wines were also recognized at the Los Angeles International Wine Competition with 2 Best in Class Awards.
