Tasting Notes

At 2.4 percent residual sugar and 12.7% alcohol, this Riesling has just enough sweetness to balance its fresh acidity. Silky smooth on the palate with tons of tropical fruit. The richness of mango, pineapple and guava lead to a crisp, refreshing finish.

Bella Vista Farms:

The fruit was sourced from a well-established river-bottom vineyard in Big Valley, Lake County, California. Mark Burch, the wine maker, was involved hands-on from picking to stainless steel tank racking to bottling. The rich soils of the Big Valley allow the vines to express concentration and intensity.

Chacewater Winery & Olive Mill is family owned and operated, located in Kelseyville, California, a town tucked away in Lake County. We take pride in producing wines, extra-virgin olive oils and soaps of the highest quality, sourced from select vineyards and estate-grown olive trees.
