

# Chacewater

2012 GOLDEN STATE WINERY OF THE YEAR

## Cabernet Sauvignon

SIERRA FOOTHILLS, CA | *325 cases produced*

A wonderful complex nose of black tea, ripe currants and earth give this wine some beautifully classic old-world qualities. It begins with vanilla bean, dark fruit, spice and cedar, unfolding to reveal savory hints of anise and leather. The finish is rich and earthy, with great complexity and minerality.
